Customer Reviews

As soon as it was announced that a new, Hollywood version of "The Chronicles of Narnia" would be released, I said to myself, "I should write a book called, 'Christ in the Chronicles.'" Well, Christin Ditchfield beat me to it, and I'm glad that she did. As her main title suggests ("A Family Guide to Narnia"), Ditchfield focuses her insights on a level that will "make sense" to Narnia fans of all ages--especially children and young teens. Whereas some reviewers, therefore, interpret her interpretations as shallow, I find them appropriate given her focus--a family-friendly reading of "The Chronicles." Other reviewers find her interpretations a tad parochial. Again, the subtitle and the publisher of choice, easily explain that "feel." Ditchfield is writing an Evangelical analysis of "Biblical Truth in C. S. Lewis's The Chronicles of Narnia." Yes, the truths could have been deeper, and yes, some of the interpretations may stretch Lewis' original intent, but none are outside the bounds of Lewis' own belief system. Others may debate how much Christian imagery Lewis intended. He and his fellow "Inklings" writer, J. R. R. Tolkien, both wrote from a Christian world-view--Tolkien's being

Catholic and Lewis' being Protestant. Tolkien, in several places, emphasized that he was not trying to make theological comments in every character and every event. Rather, he was writing a broad morality tale about good and evil and the ongoing battle between them. And an entertaining, captivating one, at that. Lewis also, being a true linguist, tended to downplay plot-by-plot and character-by-character spiritualization. However, it is clear from his own writings and from any fair read of "The Chronicles of Narnia," that his Christian world-view flowed through every word he wrote.
