Pocket Guide To World Religions (IVP Pocket Reference)

Synopsis

Have you ever wondered . . . what the red dot on an Indian woman's forehead means? whether all Buddhist monks practice martial arts? if the Emperor of Japan is still considered a god? Here is a concise, informative guide for anyone looking for answers to basic questions about the world's varied religions. In short, incisive chapters, Winfried Corduan introduces readers to twelve of the world's major religions, including Baha'i, Buddhism, Christianity, Confucianism, Daoism, Hinduism, Islam, Jainism, Judaism, Parsi, Shinto and Sikhism. For each, he offers brief descriptions of its name, numbers and distribution, key symbols, history, Scriptures, major beliefs, subgroups, worship practices, home practices, clothing, diet and calendar. Also included are even briefer descriptions of sixteen new religious movements and traditional or tribal religions. This book is for students, pastors and other busy people who want the quick, bare-facts scoop on current religions.

This is a great book to have to at least learn the basic of other religions. If a world traveler or missionary it is a must because it will help you to understand others by their religions and help to build relationships by understanding others better.

Required reading for me as a student. Great book to have! All going into ministry should have this book. It will be a great help!

Was a book for my son for school. He likes it.
